

*Grade 8: Unit 5: 5.1 understand the social, economic and cultural changes in American life in the late 1900s.*

The people in the video discussed their experiences growing up on a farm. Think about their lives, and then write a paragraph answering the following questions:

- Do you think it would be fun to grow up on a farm?
- How would farm life be different from your current life?
- What would you like most about living on a farm?
- What would you like least about living on a farm?
